**Whereas**, nurturing parenting, quality accessible child care, and early education programs build strong brains during the critical years from birth to age 5; and

**Whereas**, First Things First, Arizona Association for the Education of Young Children, Read On Avondale, Read On Southwest Valley, and other community organizations, in conjunction with the National Association for the Education of Young Children, are celebrating the 51st anniversary of the Week of the Young Child; and

**Whereas**, these organizations are working to improve early learning opportunities that can provide a foundation of learning for children in Avondale; and

**Whereas**, early childhood educators and child care providers who make a difference in the lives of young children deserve to be well-supported for their important work; and
