

# AzAEYC 2022 Scholarship Application

Honor the Past and Reimagine the Future.

**About the scholarship:** The AzAEYC 2021 "Honor the Past and Reimagine the Future" Early Childhood Scholarship was renamed to acknowledge and honor the outstanding service of early childhood professionals, past, present and future. Building upon the strong foundation created by former leaders in our field, our goal is to recognize the leadership qualities and commitment to equitable early education of our future educators.

This Scholarship provides one (1) \$1,250 award each to TWO (2) students attending an accredited Arizona university/college and majoring in early childhood education (or a closely related field) with an interest in equitable quality early childhood experiences, early childhood public policy, and advocacy efforts on behalf of young children and families.

This scholarship can be used to continue college education (for undergraduate and graduate courses), and/or attain ECE career goals (e.g., purchasing resources for professional growth and/or living expenses). Award winners will be asked to participate in at least one (1) virtual interview with AzAEYC, collaborate on putting together a blog post, or supporting an AzAEYC project, based on award winner capacity and availability.

---

A student may apply themselves or may be nominated by their college faculty, advisor or a supervisor, or any professional in the field. An individual may receive a scholarship from AzAEYC only once.
